Congratulations:

IMPORTANT

You have completed the initial filing to create a new business entity. **The next step in opening your new business is to complete a Business License Application.** You may have completed this step already. The Business License Application can be completed online or downloaded at: <http://www.bls.dor.wa.gov/>.

If you have any questions about the Business License Application, or would like a Business License Application package mailed to you, please call Business License Services at 1-800-451-7985.

You have completed the initial filing to create a new entity. To keep your filing status active and avoid administrative dissolution, you must:

1. **File an Annual Report** and pay the annual license fee each year before the anniversary of the filing date for the entity. A notice to file your annual report will be sent to your registered agent. It is the corporation or LLC's responsibility to file the report even if no notice is received.
2. **Maintain a Registered Agent** and registered office in this state. You must notify the Corporations Division if there are any changes in your registered agent, agent's address, or registered office address. Failure to notify the Corporations Division of changes will result in misrouted mail, and possibly administrative dissolution.
